## Sequoits Continue Cleaning Up: Beat Grant Cagers Fri.

Attendance Totals More  
Than 1600 for Four  
Home Games

Coach Scott's Sequoit steam roller flattened another conference cage aggregation Friday evening when the locals journeyed to Grant Township High school for a conference game.

Score by quarters ran in Antioch's favor all the way with the standings at 14-18, 20-37, 36-48, and the final 54-62. The Sequoits were in fine shape throughout the first half and held the Grant Bulldogs to 6 points in the second quarter. After the half a series of mistakes on the part of the locals made the Grant team look good, allowing them to pull up to within four points of a tie during the last quarter.

Bruce Stahmer was high point man for the Scottmen with a total of 17 points, followed by Bob Floyd with 13. Boake Baird, playing at guard, accounted for 13 points also, dropping three long set shots through the hoop in the first quarter.

**Maryville Tough Competition**  
The Sequoits will meet Maryville Academy of Des Plaines next Friday at the Antioch gym. This is expected to be a tough match for the locals since the Academy has scored wins over Ela, Wauconda, and Grayslake. Coach Scott said that the Maryville team would probably be the best the locals have met thus far during the season. They are a light, fast team with about the same style of play as the locals.

The juniors on the Antioch squad will both be out of play for this game, due to illness. Only two juniors are on the squad—Tom McGreal and Larry Lass.

**Three Home Games**  
In addition to tomorrow night's game at the Antioch gym, the next two games will also be played on the home floor. In them the Sequoits will meet Wauconda on Jan. 30 and Ela on Feb. 6. They will meet Bensenville on Feb. 11 and Palatine on Feb. 13. Other games to complete the conference schedule will be with Grayslake and Grant.

**Attendance Up**  
Winning teams attract spectators as evidenced by the fact that 1862 persons have paid admissions to the home games. This represents an average of more than 400 spectators per game, a real increase in interest over other years.

## Student Councils of Conference to Form Own New Organizat'n

Approval has been given by the principals of high schools in the Northwest Conference to the organization of the student councils within the conference and a meeting for this purpose will be held at Palatine, Saturday, Feb. 14.

The schools in the conference discovered at the regional meeting at Arlington Heights last fall that those schools that were organized were able to get offices and other benefits and consideration which they failed to get.

The conference organization would meet twice a year and plan more effective activity in the regional and state meetings.

The conference was notified by Northbrook High that it will have teams in basketball next year and it will be placed on the regular conference schedule again.

Lack of school building kept the township from participating in sports this year, but a new building is being built and will be completed by September.

**Kirchmeyer Wins Suit**  
Ken Kirchmeyer, 704 Main street, successfully defended a damage action brought by Ernest and Elsie Moore, Venetian Village, last week. The complaint, asking a total of \$20,000 damages against Kirchmeyer for false arrest and false imprisonment, was heard Wednesday and Thursday, Jan. 14 and 15, by Circuit Judge Carroll. The jury, after more than an hour's deliberation adjudged Kirchmeyer not guilty.

**Undergoes Surgery**  
Melvin Wohlfelt, an employee at Carey Electric shop, underwent surgery at St. Theresa hospital Friday. His condition is much improved and it is expected that he will be able to return home Saturday.

## Rescue Squad Exhibits Aid Equipment to P.T.A.

Members of the Antioch Rescue Squad demonstrated first aid methods and equipment before the Antioch Grade School Parent Teacher association Monday evening.

Lt. Charles Larsen explained the procedures and was assisted by Leonard Roblin and William Dow. The use of the inhalator and the treatment of persons in shock proved quite interesting.

## Antioch Quits Work To See And Hear Ike Become New President

It was no legal holiday but business virtually came to a standstill in Antioch Tuesday as the people sat at television sets and radios watching and hearing the inauguration ceremonies of the new Republican president, Dwight D. Eisenhower.

Business was as usual up to 10 a. m. and like magic the stores cleared of customers who went home or to the home of friends in getting a first hand view or description of the taking of the oath at the nation's capitol.

Then they remained throughout the afternoon watching the parade and at night watched the presidential balls at Washington, D. C. and at Georgetown University.

Only skeleton forces were at work in the business places and most of them turned to radios for the report.

Republican Antioch was inauguration conscious.

Students from the American History and Social Science classes at Antioch Township High school viewed the ceremonies with Mrs. Jeanette Tulumello, social studies instructor in charge.

Eugene Sheehan, manager for the Avery Electrical Appliances lent a 20-inch television set to the high school for the occasion.

The nation's most important event with all the pageantry that went with it and the close-up views of the president and the first lady of the land and other dignitaries including Vice President Nixon and his wife.

## New Virus Disease Making Appearance In Antioch Schools

The new ailment going by the name of virus infection, influenza, or colds, is making its appearance in Antioch after having struck in many parts of the country.

Waukegan had its siege last week. First evidences were in the primary grades of the Antioch public schools Tuesday, but the ailment is no respecter of ages because Principal Richard Whitacre was stricken the same day.

The disease attacks in various ways but common symptoms are sore throat, bronchial irritation, a fever, headache, and soreness of muscles. A temporary deafness occurs to some patients.

Grayslake schools were hit last week and some classes had absences up to 30 per cent of the enrollment, according to a report.

Unlike the epidemic of World War I, there have been no deaths attributed to the disease. It lasts only a few days.

## Intramural Cage Play in Progress At Antioch H. S.

Forty games have been played at Antioch High school in the current intramural basketball tournament. Four teams are competing in the Fresh-Soph division and five in the Junior-Senior class.

Five games each have been played by the underclassmen teams with the Bombers out in front with 4 wins and 1 loss. The Rockets, Flyers and Comets are all tied up for second place with two wins and three losses each.

High scoring players in the underclass play are Norman Peterson, 66; John Kelly, 52; Don Schroeder, 41; Jerry Meyer, 37 and Bill Layton, 36.

In the upperclass division the spread between teams is a straight 4, 3, 2, 1, 0, standing with each of the five teams having a different standing. The Lions have won all their games, the Foxes, 3; the Skunks, 2; the Mudhens, 1, and the Bears trail with four losses.

High scorers are James Osmond, 66; Phil Vos, 45; Gene Baethke, 45; Larry Hostetter, 44; and Bill Terry, 40.

## Gridiron Stalwarts Receive Letters at A.T.H.S. Jan. 16th

Eight Juniors Receive "A"  
Award for Season  
Football

The fighting Sequoit football team of 1953 will have a goodly number of lettermen for a starter, according to awards of major letters made Friday, Jan. 16, at a special assembly held for that purpose.

Eleven senior boys received the major award also. They are Delmar Adams, William Bachman, Eugene Baethke, Charles Bock, Jack Heiligenthal, Jack Nelson, James Osmond, Robert Weber, Fred Zeien. Juniors who received letters and who will be available for next year's football squad are Joseph Gutowski, Richard Hedburg, Fred Miller, Thomas McGreal, Joseph Pechulis, William Terry, John Wells, and Harold Wilson.

The sophomore team which had a very successful season, winning all but two of their eight games, scored 156 points to opponents' 56. Letter winners in the Sophomore division were Roy Ballwanz, William Blake, Fred Clarke, Chuck Davis, Paul Eckert, Ben Floyd, Bill Gallagher, James Krieger, Paul Mattson, Jim McMillen, and Ken Van Patten.

**Freshman Numeral Winners**  
The freshman numeral was presented to Chuck Behrendt, Jim Bown, Gene Carluquist, Don Cardiff, Tom Haley, Al Herman, John Kelly, William Layton, Al Reckers, Jim Scully, Wayne Swanson, Bob Terry, Frank Walsh, Paul Williamson, Jim Stonis, and Don Schroeder.

The freshman team had an even split for the 1952 season winning three and losing three of the six-game schedule.

## Team Play, Not Stars Paying Off in Games For Antioch Cagers

Ability to play as a team and not as individual stars is paying off in victories for the Antioch Township High School basketball squads which at present lead both the varsity and the sophomore standings with no defeats in the Northwest Conference.

This is shown in the fact that while no Antioch player leads the conference in individual scoring, the entire team and one substitute are among the top 25 scorers, a record that no other school in the conference possesses.

The Floyd brothers, Ben and Bob, are among the first 10 high scorers. Bruce Stahmer ranks 17th, Boake Baird, 21st; Jerry Quilty, 22nd; and Bob Weber, 25th.

The Sequoit varsity has its greatest strength in its defense, topping the conference in that respect, but ranks third under Grayslake and Palatine on the offense.

The conference standing at the first round of play was as follows:

Varsity Standing			
School	Won	Lost	OP
Antioch	6	0	260
Palatine	5	1	262
Ela-Vernon	4	2	312
Grayslake	2	4	357
Bensenville	2	4	335
Grant	2	4	382
Wauconda	0	6	353

Fresh-Soph Standing			
School	Won	Lost	OP
Antioch	6	0	177
Palatine	5	1	243
Ela-Vernon	4	2	193
Wauconda	3	3	246
Grayslake	2	4	252
Bensenville	1	5	237
Grant	0	6	274

## Mrs. Alice White Fox, Formerly of Loon Lake, Dies at Cornell, Wis.

Services were conducted in Cornell, Wis., last week for Mrs. Arthur L. Fox, 85, a former resident of Loon Lake. She died Jan. 11 in her home.

Mrs. Fox, the former Alice White, was born at Loon Lake, and after her marriage to George Stewart lived in Waukegan. He died in 1908 and three years later Mrs. Stewart married Arthur Fox of Cornell, Wis.

Surviving are the husband, a step-daughter, Marlon Quinn; a niece, Mrs. Alotha Knigge, Chicago; and many cousins. She was a sister of the late Cora White who taught in the Waukegan Grade schools many years.

## Central High Will Train High School Drivers This Year

Eighty-five Students Are  
Enrolled in New  
Course

A. H. Erickson, principal at Salem Central High school, has announced that the school is now offering a driver training course. Eighty-five students will be enrolled in the course this year, and it is expected that every student at the school will enroll at some time during his four years at the school.

The subject will be taught by Elvin L. Conway, and will include study of how the automobile functions, what is required of the driver, the importance of proper attitudes and appreciation of social responsibilities, the need for traffic regulations, the causes of accidents, the means of preventing highway mishaps, and the major provisions of state and local traffic codes.

Development of this type of educational program has been encouraged in Wisconsin, with the state department of education working with the safety division of the motor vehicle department for some years. The program was started in Wisconsin more than ten years ago.

## Teen Age Meeting Studies Traffic Safety Program

High school students in this area this week were busy formulating plans to follow up on resolutions adopted in the First Metropolitan Chicago Teen-age Traffic Safety Conference held January 13 in the Conrad Hilton hotel in Chicago. The 400 delegates to the conference represented public and parochial high schools in the area and schools in Chicago and Cook, Lake, Will, DuPage and Kane counties.

Given consideration in the planning as how best to put the resolutions into action. The conference passed on the resolutions after hearing Robert Young, movie actor and star of the NBC "Father Knows Best" show; Mayor Kennelly; Noble J. Puffer, Cook County School superintendent who represented school superintendents of the five counties; Dr. Herold Hunt, Chicago school superintendent; Matthew Sielski speaking for Charles M. Hayes, president of the Chicago Motor club, and Franklin D. Sturdy, director of the Citizens Traffic Safety board. The board and motor club sponsored the conference.

Young told the gathering that if drivers in their teens learned and followed the common sense rules of driving the national accident rate could be reduced by more than 50 per cent within 10 years. The mayor and school officials said that the conference could be the most

## Grade Pupil Hurt In Fall Wednesday

Luisa Vos, 12, daughter of Mr. and Mrs. Edmund Vos, Antioch, will return home today after having been in Victory Memorial hospital since shortly after noon Wednesday for treatment of a fractured leg and a displaced ankle.

She suffered the injury in a fall while closing a door. It is believed that the floor was damp, causing it to be slippery.

The break was near the ankle joint and was a simple fracture. Dislocation of the ankle joint complicated the injury.

## Polio Drive Nears End; Collections Are Behind Normal

Township Quota Is Set at  
\$2500; 1952 Total  
Was \$1800

With little more than a week left in which to meet the 1953 quota, Antioch's annual polio drive is not making the progress which was expected, according to A. J. Scully, local chairman.

Scully said today that unless more contributions are forthcoming the drive would not meet the quota. He added, however, that results of but few of the house-to-house canvassers was available, and that many of the thirty-six workers have not yet made their reports.

**Grade Schools Do Well**  
Antioch's grade schools have contributed more than \$175 to the drive with St. Peter's school turning in \$90.78 and Antioch Grade School contributing \$88.17. Antioch High school has not yet turned in the proceeds from its drive, and it is thought that the drive will take place next week at that school.

New workers who have volunteered during the week are: Mrs. J. Arnold and Mrs. Louis Kempf, Petite Lake; Mrs. Joseph Nemec, Bluff Lake; Mrs. Fred Dittmer, Bluff Lake road.

Mrs. A. J. Scully and Mrs. E. Cranley have been contacting business places outside the village of Antioch, and Chairman Scully will begin calling on Antioch business houses on Monday.

Letters to all organizations of the village have brought little result as yet, and this is thought to be because the organizations have not yet had time to bring the matter up at a regular meeting.

**Drive Closes January 30**  
As usual the drive will close on the 30th of January and all persons who wish to contribute as well as those connected with the drive, are urged to turn over their contributions or collections to E. J. Sletten, cashier at the First National Bank, treasurer of the drive.

## Dittman Stresses the Challenge of Public Education in Antioch

Albert Dittman, principal of the local high school, spoke to the Antioch Woman's club Monday. Mr. Dittman's remarks centered around the theme "Public Education in the Antioch Community." Education in District 117 constitutes three challenges of financial support, determination of the kind of education for the boys and girls, and the pride citizens receive when molding the personality and character of youth.

The talk by Dittman was given on short notice, since the program originally scheduled called for a talk by Janette Black, Zion, on the Development of Dunes Park. Mrs. Black was unable to be present and Dittman's talk, scheduled for later in the year, was moved up to fill in.

Since Principal Dittman has taken over the administration of the local high school, he has spoken to the Methodist Church Men's club, the local Lions club, the Lake Villa Civic club, and the Antioch Woman's club.

Hostesses for the meeting held at the St. Ignatius' parish hall were Mesdames Arthur Laursen, Walter Delaney, L. C. Scott, C. B. Olsen, Wm. Cooper, Jos. Horton, C. E. Hennings, and A. L. Shank.

## Filing For Town Election Begins During the Week

Petitions for Five Candidates Filed; More  
Expected

Five petitions for nomination to Town offices have been filed during the week, and with the deadline for filing approaching on Feb. 16 it is believed that many more will be filed early next week.

Those who have already filed petitions with Town Clerk L. R. Van Patten, Jr., include Peter Matteoni, first to file for one of the five openings for constable; John Brogan, for re-election as justice of the peace; and William A. Herbert, also for re-election as justice of the peace.

Van Patten has filed for re-election to the town clerkship. John P. Miller's petition for assessor was also filed this week. Antioch township was left without an assessor by the death of James Kopriva several weeks ago.

**Other Petitions Circulated**  
Other petitions taken out, and probably being filled out at present include those of Jos. Chuffo, Rick Eckert, and Lewis Smoc, all for constable.

**Veteran Town Collector John L. Horan** has also picked up petition of nomination papers and it is believed that he will be a candidate for re-election. Rumor has it that Horan will be opposed for the office, but no definite information is available.

**February 16th Last Day**  
Monday, Feb. 16, is the last day for filing petitions with the town clerk and March 9 is the last day for withdrawal of nomination papers. The election will take place on Tuesday, April 7.

## Movement to Extend Depot St. to Tiffany Started by Officials

**Relief of Traffic on Main Street and Access to Properties Sought**

A movement to extend Depot st. west to Tiffany road to re-route some of the traffic from Main st., and to afford better access to properties now being subdivided in the area has been started.

A proposal may be made to the village board at the next regular meeting to purchase a triangular strip of property on the west side of Main st. from Mrs. Ada Overton, Chicago, as the start of the westward extension of the street that now runs east past the Antioch Milling Co.

Several of the village executives including President James McMillen and Atty. Edward C. Jacobs met with Mrs. Overton Saturday afternoon in discussing the purchase.

In extending the street west it would necessitate laying of an 8-foot tile in the bed of the creek that now approaches Main st. at an angle, and then covering it with a fill that would bring it to street level the desired width of the street extension.

From that point the street would extend west across the Charles N. Ackerman and Albert Herman properties to Tiffany rd. It would afford connection with what are now dead end streets from the north and south, and might result in an extension of Broadway.

"Those interested in the project feel that by opening up side streets some of the congestion of traffic on Main st. will be lessened," said Atty. Jacobs.

"The village has a right to condemn land for street purposes but must pay a fair value for it."

## David Petty Named to Interim Traffic Comm.

David Petty of 1038 Spafford st. was made a member of an interim committee of the Teen-Age Traffic conference which recently met in Chicago. The committee will study ways and means of putting into effect ideas, on safe motoring by teen-agers, suggested at the conference, and co-ordinate further activities of the conference.

Petty, a senior at Antioch High, was chairman of one committee that expressed the viewpoint that teen-agers charged with two hazardous traffic violations in one year should have their licenses suspended for six months.

### How to Prevent Power Shortages

Where have the nation's most serious electric power shortages occurred? The answer is: in the regions where the federal government has the whip hand, and where the socialized power movement is well advanced. Two prime examples are the Tennessee Valley and the Pacific Northwest.

In regions where private, regulated enterprise provides the power, on the other hand, there have been no shortages and often supply has been materially greater than demand. One unusually interesting illustration is found in Montana—a private power state. Surplus power from there has consistently been transmitted to power-hungry Oregon and Washington, two of the states where socialized power is in the saddle.

There is a perfectly logical reason why this should be the case. When confronted with the spectre of socialization, along with tax subsidized, tax-free competition, private enterprise is handcuffed. It is blocked from expanding normally. The nation's increased power needs then become largely dependent on political instead of economic factors. And shortages and dislocations are inevitable.

Dr. Paul J. Raver, administrator of the Bonneville Dam system, recently created a stir by urging that the federal government get completely out of the power business in that area, and that an interstate agency, run by a commission which would either be appointed by the governors of the states concerned or elected by the people, take over. There is much difference of opinion as to the technical details of the proposal. But one thing is sure—getting the government out of the power business would be an unmitigated boon to this country.

### Crutches Can Be Chains

P. Harvey Middleton, president of the Railway Business Association, recently wrote on some of the major problems confronting the railroad industry today. Two of the most serious are inadequate earnings and inequitable competition. Of these, Mr. Middleton said: "There is no cheaper insurance for the nation as a whole than for the regulatory authorities to permit the railways to earn enough to maintain and improve their properties and pay a reasonable

return to those whose money is needed to keep the railways going. . . .

"The railways carry about three-fifths of all inter-city commercial freight and about half of the commercial passenger traffic of the country, and therefore an early solution of the problems created by the existing inequalities in regulation and competition is essential in the interests of our peacetime economy. It is equally important from the standpoint of national security.

"Some . . . have suggested that the answer might be to equalize the situation by some form of subsidy to the railways. The railway industry, our strongest bulwark against socialism, does not ask and does not want any subsidy. That would be an entering wedge to nationalization. As U. S. Senator John W. Bricker of Ohio remarked not long ago: 'Government crutches too often turn into chains.'

In transportation, as in any enterprise, the public interest requires that none be either favored or penalized, that all compete on a fair basis, and that all have the chance to gain a fair return for services rendered. That is the only sound policy.

### Work Is the Barometer of Prices

The president of the American Meat Institute recently discussed some of the problems that confront the meat industry. All members of it must work increasingly closer together, he observed, to withstand and overcome the obstacles which so often appear—such things as the onslaught of disease and weather, the problems of competition and regulation, and the effect of prejudice and misunderstanding.

Then he said that the greatest problem of all, so far as the meat industry is concerned, is to correct public beliefs about meat and meat prices which are based on misinformation and misconceptions.

The price of meat, he went on, seems always to be a matter of concern to the consumer. Some years ago when certain meats sold at retail for as little as 10 or 15 cents a pound there was complaint about prices. More recently, as inflation has forced up meat prices along with the prices of practically everything else, the meat industry has been the target of criticism—some malicious, some stemming from honest misunderstanding.

In the last half-century meat prices have not increased as much as wages. In 1901, it took 52 minutes of labor by the average worker to buy a pound of meat. In 1926, it took 37 minutes. Today it takes but 30 minutes. So the real price of meat to the consumer, as measured in terms of the amount of work necessary to earn the money to buy it, is less now than in the so-called "good old days."

The meat industry is highly competitive in all its ramifications, from the producer through the packer and to the retailer. And competition holds the price down to as low a level as the cost of carrying on the business permits.

Mr. and Mrs. Vernon Stahnke and daughter, Jill of Elgin and Mr. and Mrs. James Bonner of Kansasville, Wis., were dinner guests at the Russell Doolittle home Sunday.

The Rev. and Mrs. L. H. Messersmith were dinner guests at the Theodore Engh home in Wadsworth Sunday.

Millburn unit of Home Bureau met at the home of Mrs. Robert Murrie at Russell Friday afternoon, Jan. 16 at 1:30 o'clock with Mrs. Otto Mara as co-hostess. Seventeen members were present for the lesson on "Yeast Rolls and Coffee Cake," given by County Home Adviser Mrs. Helen J. Volk, who illustrated her talk by making a basic rich dough, from which she formed Butter-snails or horns, Tea Ring and Butterscotch Pecan Rolls, which were sampled with the lunch served by the hostesses. The following officers were re-elected: president, Mrs. Carl Hapke; vice president, Mrs. Lyman Thain; secretary, Mrs. William Korff; and treasurer, Mrs. John Dostalek. The unit is planning a bus trip to Chicago on April 24. Mrs. Robert Murrie and Mrs. John Dostalek will attend Farm and Home week in Urbana Feb. 2-5. The next meeting will be at the Carl Hapke home.

## HICKORY

Mrs. Curtis E. Wells and Mrs. Richard Wells visited Mrs. Harold Butler in Waukegan Thursday afternoon.

Mrs. Mable Hansen and grandson, Dennis Wayne Novy of Evanston were Saturday and Sunday visitors at the Rudolph Novy home.

Mrs. Gordon Wells and Miss Uldine Anderson left Friday night by bus for Fort Leonard Wood, Mo., where they visited Gordon Wells, Jr. They returned home Sunday night.

O. L. Hollenbeck of Millburn was a visitor at the Curtis Wells home on Monday.

### Leather Too Precious

In ancient Rome, you didn't have look above the ankles of a passerby to tell whether he was a plebeian or a patrician. Fine leather was so precious that the wearing of high shoes was restricted by law to the latter, while the poor had to wear primitive sandals or walk barefoot.

### CHRISTIAN SCIENCE CHURCHES

That error of every name and nature disappears before the dominion and power of right thinking, which has its source in the divine Mind, will be explained in all Churches of Christ, Scientist, on Sunday, January 25. The subject of the Lesson-Sermon will be TRUTH.

The Golden Text is from Psalms (89:8, 14) "O Lord God of hosts, who is a strong Lord like unto thee? or to thy faithfulness round about thee? Justice and judgment are the habitation of thy throne: mercy and truth shall go before thy face."

Lesson Sermon passages from the Bible (King James Version) include:

"Continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them. . . . All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; That the man of God may be perfect, thoroughly furnished unto all good works" (11 Tim. 3:14, 16, 17).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"The Scriptures are very sacred. Our aim must be to have them understood spiritually, for only by this understanding can truth be gained. . . . It is this spiritual perception of Scripture, which lifts humanity out of disease and death and inspires faith. . . . The spiritual sense of truth must be gained before Truth can be understood" (pp. 547, 578).

were dinner guests at the Leslie Bonner home Sunday.

Part of a jet engine is born on a huge precision boring machine as toolroom employees of Ford Motor Company's Aircraft Engine Division in Chicago check a new gauge which must be accurate within one ten-thousandth of an inch. The gauge will be used to check production parts for the new J-57 turbo-jet which Ford is to make for the Air Force. Toolmakers, gauge makers and other skilled tradesmen are working overtime six days a week to keep the plant's defense program on schedule. Left to right are Bernard Jezercak, machine operator; Walter Zels, supervisor, and Stanley Gembala, gauge maker.

## Contributor's Section:

We haven't the slightest idea why we waited so long before printing Frank H. Keith's lovely idea:

Words to Live by  
Whenever illness touched her,  
Or when her funds were low,  
My mother always whispered:  
"It came and it will go."  
Adversity could never

Restrain her hopeful heart,  
For with this simple slogan  
She tore its bonds apart.  
Soon, by her brave example,  
She made the quiet phrase  
Become my source of courage  
To calm chaotic days. . . .  
And now I think no statement  
That I have come to know  
Has wisdom that will equal

"It came and it will go."  
Unaccustomed as I am

The writer recently had occasion to speak before a club in Southern Wisconsin. (Try and imagine that?) When I arrived in this little town on the Mississippi river, it was cold and blustery, and there were only 74 people in the hall. It was also their election night, and they held the election before we ate. There were exactly 74 Irish and 4 Danes in the membership. O'Toole was elected the president by a vote of 70 to 4; McGinty won the treasurer-ship by a vote of 70 to 4, and then Casey was elevated to the secretary's office by the same vote, 70 to 4. To me, this seemed unusual . . . those same identical scores, so I asked Casey, who was seated next to me, if he had any comment to make. "None, whatsoever," he replied, "except that to me, it looks as though those darned Danes are mighty clannish."

## Suffering as Path To God Considered In Sermon Series

"The pathway of Suffering" will be the subject of the sermon at the Methodist church in Antioch at 11 o'clock on Sunday morning. The sermon is the second in a series on the subject, "Pathways to the Reality of God."

So often people see suffering and heartache as denials of the reality of God, according to G. Richard Tuttle, minister of the church. How strange, he says, that we discover in Christianity that these are not weapons which defeat us but the instruments of victory. All are cordially invited to the service. The robed choir under the direction of Charles B. Watson will sing.

**LAKE VILLA CHURCH NEWS**  
Sunday, Jan. 25 is Commitment Sunday throughout Methodism. and the worship service at Community Methodist will carry the theme of Temperance through the hymns, readings and prayers. The Junior choir under the direction of Mrs. Warren Brown will sing special music. The pastor will preach on "The Enemies Jesus Made," an exposition of Mark II. Everyone is invited to attend and to bring their Bibles so as to better follow the sermon.

Sunday evening the Intermediate Fellowship under the leadership of Warren Brown, Jr., will enjoy a potluck supper meeting. Games, business and worship will be included in the meeting which runs from 5:00 p. m. until 7:30 p. m. Any young person in the 6th, 7th and 8th grades is welcome to attend. Everyone brings one item to the supper.

A filmstrip and discussion is in line Sunday evening for the Hi-School Fellowship, under the leadership of Mr. and Mrs. Eugene Woolsey of Venetian Village. The discussion will be on the topic of alcohol and tobacco. Everyone is reminded of the All-church card party January 31 in the school gym. Proceeds will go to the building fund of the church to pay indebtedness against the parsonage. Tickets may be secured from Mrs. B. J. Hooper.

The grade school gym has been arranged for weekly use by the Methodist Youth Fellowship on Thursday evenings. A coach for boys and one for girls have been secured. The schedule calls for boys' basketball at 7-8 p. m. and boxing and girls' basketball running simultaneously from 8:00 until 9:00 p. m. It is believed the basketball teams may yet get to compete in the Northshore Church league in time to win a trophy. The last girls' team to play in the league won both the tournament and the league play. The church is grateful to the school for the use of the gym.

Official Board meets Monday evening at 8 p. m. in the home of Mrs. Marie Hamlin. All members and friends are urged to attend.

Mrs. Delbert Sherwood entertains the Halcyon group in her home Tuesday evening at 8 p. m. There will be a guest speaker.

The pastor, R. E. Harrison, attended the monthly meeting of the West Lake County Ministers' meeting Monday morning at Antioch.

A treat is in store for those who attend the Little Country Church service on the first and third Sunday, on March 1 when Mr. Rush and a number of contestants will present numbers with their instruments. Save the date!

Mr. and Mrs. Fred D. Bjork spent the week end with their parents in Highwood.

## M.Y.F. to See Movie, Install Officers at Meeting Next Sunday

The Methodist Youth Fellowship will view a movie entitled "The Woman at the Wells" Sunday evening. It is the story of Jesus and the Samaritan woman.

The group will also have installation of officers which were elected last Sunday, as follows:

Eugene Baethke, president; Robert Jach, secretary; Barbara Corbin, treasurer; Gretchen Biel, first commissioner; Ann Anderson, second commissioner; Bob Cain, third commissioner; Carole Hansen, fourth commissioner; David Cain, publicity; Bill Farmer, librarian; David Cain and Dolores Corbin, representatives to the church's official board.

The meeting will start at 6 p. m. at the Methodist church and anyone of high school age or who has graduated may attend.

Speakers will be W. E. Winn, president, Richmond, Ill., A. L. McWilliams, general manager, and Harry Edwards, director of sales, both of Chicago.

Major trends in the dairy industry will be discussed. These have been analyzed by General Manager McWilliams as (1) lowered milk production; (2) decrease in number of operating dairies; (3) changes in milk distribution; and (4) utilization of substitute materials for dairy products.

"Lowered milk production is directly traceable to farm labor shortages," said McWilliams. "High investment requirements needed for entering the dairy farming business, long-hour, seven-day weeks, vigorous health department standards and relatively higher income from other farm products."

## Robert Maxwell, Sr. Vice Commander 10th Dist., Speaker Friday

Robert Maxwell, Senior Vice Commander, 10th District American Legion, will be the principal speaker at a regular meeting of Antioch Unit American Legion Auxiliary Friday evening, January 23, at 8 p. m. in the Antioch American Legion hall.

Commander Maxwell's talk will be on "Americanism and Legislation." Because of the importance of the talk all Legionnaires and husbands of members of the Auxiliary are invited to the meeting.

After the meeting, a social hour will feature a "silent auction" which will dispose of gifts brought by members. Refreshments will be served by a committee headed by Mrs. Ben Miller.

## Capt. "Wes" Carlseen Stationed at Nagoya Air Base in Japan

Captain Westleigh Carlseen, Lake Villa, and formerly in the interior decorating business here, is now at Nagoya Air Base, Japan, where he serves as a communications officer. Wes operates a network of radio stations which serve communications in direct support of the Korean conflict and helps provide defense of the Japanese home islands.

## Fire Department Making Improvements

Members of the Antioch Volunteer Fire department are working nights at the fire station. They are installing a new plaster board ceiling in the building, and also laying linoleum on the floor of the new addition. They expect to work on the project this (Thursday) evening.

## Teen Age Meeting

(Continued from page 1)  
Important meeting held in the area during 1953. The mayor said that the students' ideas would be helpful in solving the traffic problem common to all communities.

Among other considerations under study by local students are the following resolutions:

1. That high school driver courses include behind-the-wheel training; audio-visual instruction, and continuous use of traffic safety material—pamphlets, posters, etc., to show the results of careless driving.

2. That all drivers be required to have a good general knowledge of traffic laws and regulations in the community and state, and those in effect in other states.

3. That the state hold compulsory vehicle inspection regularly. Delegates pointed out that very few communities in Illinois now have compulsory vehicle inspection and that vehicle inspection is properly a responsibility which should rest with the state administration.

4. That the state give physical, driving demonstration, and written tests, which should be much more strict than present tests, to all driver license applicants.

5. That delegates submit annual reports on local traffic safety activities to the sponsoring groups and that teen-age traffic safety conferences be held yearly to coordinate and promote the activities of the conference.

David Petty, son of Mr. and Mrs. William C. Petty, Antioch, was a delegate to the conference and was appointed a member of the interim co-ordinating group, which will carry out plans to put conference resolutions into effect.

## Mrs. Catherine M. Anderson, 61, Dies At Madison, Wis.

Mrs. Catherine M. Anderson, 61, Salem, Wis., died Saturday, Jan. 17, at 8:30 p. m. at the Jackson clinic at Madison, Wis., after six months of illness.

Mrs. Anderson was born Dec. 7, 1891 in Chicago, living there until coming to Salem eight and a half years ago.

She was a member of St. Mark's church of Chicago. She and her husband had operated a tavern on county trunk SA and Rte. 83 for the past eight and a half years.

Survivors are her husband, Charles M., two sisters, Mrs. Mamie Dunn and Mrs. Helen Hendricksen, both of Chicago; four brothers, John Eisele, Miami, Fla., and Adolph, Leo and Harold Eisele, all of Chicago.

Funeral services were held at the Strang funeral home at 9:30 Monday, then at St. Peter's church at 10 a. m.

## Semester Exams Are Given Today, Friday At Antioch Twp. H. S.

Local high school students are busy this week taking final semester examinations. The grade which a student makes on the semester examination constitutes one-fourth of the semester grade. The examinations are comprehensive study for the entire eighteen weeks.

The teachers have been very busy preparing the tests and the pupils have spent considerable time reviewing courses in preparation for the examinations.

The tests will be administered Thursday and Friday. The examination periods are one hour and ten minutes in length and all students are required to take the tests before the semester grades are given.

Report cards, with complete tabulations for the semester will be given to the pupils on Friday.

The names of students making the honor roll and the National Honor Society will be announced soon after report cards are distributed.

## LAKE VILLA

Miss Verna Bennecke was guest of honor at a surprise bridal shower on Friday evening, Jan. 16 at the home of Mrs. Harry Pavel who was assisted by Mrs. E. Williamson, Mrs. Helen Fath and Mrs. Bernice Armstrong as co-hostesses. The home was decorated with dolls dressed as brides and bridesmaids in colorful costumes. White paper bells were also used. Verna was presented with a beautiful corsage of chrysanthemums, and the thirty guests of the Halcyon club and friends presented her with beautiful and useful gifts for the new home which she will have after her marriage on Feb. 21 to Mr. Grant Paulsen.

Balloons with verses inside were placed about the home for a treasure hunt of gifts by the prospective bride. Games were played during the evening and the prizes were awarded to the guest of honor.

Delicious refreshments were served by the hostess and her assistants at the close of a very happy evening, which was a complete surprise to the guest of honor.

The M. Y. F. of the Community church enjoyed a roller skating party at the home of Fred Swanson on Thursday of last week to help him celebrate his eighteenth birthday and on Saturday the group went ice skating on Sand Lake, and the sponsors of the group, Mr. and Mrs. Eugene Woolsey served hot chocolate and cookies at the close of the party. Mary Wolff and Carolee Greene were in charge of discussions on social problems at the meeting at the parsonage on Sunday evening.

Mrs. John Perry and daughter, Irene, left the last of the week for Houghton, Mich., to visit her sister who is quite ill.

Cedar Lake Camp Royal Neighbors will meet at the village hall on Tuesday afternoon, Jan. 27, for pot luck dinner followed by the meeting at 2 o'clock. The secret pals of the past year will be revealed and new names chosen.

A. E. Bennett, Elmer Wolff and Ervin Barnstable were in Springfield for the inauguration services on Monday.

The Woman's Auxiliary of the West Miltmore Community center has donated money for the purchase of the following books by the library board: Life-saving, First Aid Safety, Swimming and Athletics. These books are part of the Boy Scouts Merit Badge series, but the material in the books will be of interest to anyone working with children. The older children will find these books are full of useful information that will fill a very definite part of their educational life. Please encourage your children to use these books from the library.

Mrs. Cecile Blumenschein entertained a few ladies at her home on Friday afternoon in celebration of her daughter-in-law, Doris Blumenschein's birthday anniversary.

Mr. and Mrs. Henry Nader were Kenosha visitors last week Thursday.

Mr. and Mrs. Charles Peterson left Sunday for their annual trip to Florida for a winter vacation.

Donald Brooks, son of Mr. and Mrs. Harvey Brooks of Burnette avenue, who has been serving in the Navy Seabees, was honorably discharged and returned home from Boston last Thursday.

Mrs. L. J. Tweed was hostess on Tuesday last week for the ladies of the Pinochle club at a pot luck luncheon at her home west of town. Games of pinochle followed the dinner at 12:30 o'clock.

Cedar Lake Camp Royal Neigh-

bors held open installation of officers at the village hall on Tuesday evening with Georgia Avery and Lottie Barnstable as installing officer and ceremonial marshal. The following took office: Oracle, Matilda Bartlett; V. O. Marcella Jesse; chancellor, Ethel Wood; past oracle, Georgin Avery; asst. marshal and marshal, Cecile Blumenschein and Mabelle Selter; managers for one and three years, Marjorie Helm and Anna Nader; miscelan, Harriet Davis; captain of the degree staff, Marie Hamlin. Graces chosen were Faith, Velma Langosch; Courage, Marjorie Helm; Modesty, Bertha Fish; Unselfishness, Jeri Paulson, and Endurance, Doris Blumenschein. Misses Jackie Martin and Donna Reidel sang a duet and Kay Anderson sang. Cake and coffee were served at the close of the evening.

Mrs. Cecile Blumenschein entertained Mrs. Gordon Blumenschein and Norma Lee, Mrs. Clifford McCarthy and Janet, Mrs. Walter Schneider, Mrs. Georgia Avery and Mrs. Marie Hamlin at a noon luncheon at her home last Friday in honor of Mrs. Gordon Blumenschein's birthday.

Mrs. Leo Barnstable who went early in December to San Diego to visit her daughter, Mrs. Joe Botts and family returned Wednesday, accompanied by her daughter and grandson, Danny Botts, to stay

while their husband and father, CPO Joe Botts goes on sea duty to the war zone for an indefinite stay. They stopped on their way home at Tucson, Ariz., to visit Mrs. Edna Cable who is spending the winter there.

Mrs. Cecile Blumenschein entertained Mrs. Matilda Bartlett, Mrs. Helen Fish and Mrs. Anna Nelson at an afternoon party on Jan. 9 to help Mrs. Bartlett celebrate her birthday.

Clarence Blumenschein was confined to his home by illness during the past week.

Mr. and Mrs. J. G. Poulton of Hebron were guests of Mrs. C. B. Hamlin last Friday afternoon.

## OUR DEMOCRACY—by Mat

## OH BUILD ME A HOME—

IN COLONIAL TIMES OUR FOREFATHERS BUILT THEIR OWN HOMES WITH THE HELP OF THEIR NEIGHBORS. THEY CUT TREES INTO LOGS, STRIPPED THEM, PLANKED THEM, NOTCHED AND LASHED AND PEGGED THEM INTO WALLS, FLOORS, ROOFS. THE PRICE OF A HOME WAS THE PRICE OF AN AXE.

IN THIS MODERN AGE OF SPECIALIZATION, A HOME HAS BECOME THE BIGGEST SINGLE EXPENSE IN THE LIFE OF THE AVERAGE AMERICAN FAMILY. YET MORE THAN HALF THE POPULATION OWN HOMES TODAY AND THOUSANDS OF OTHER FAMILIES ARE WORKING AND SAVING TO BUY ONE. AT THE SAME TIME, FOUR OUT OF FIVE AMERICAN FAMILIES ARE PUTTING A ROOF OVER THEIR FUTURE TOO, THROUGH INCREASED LIFE INSURANCE AND SAVINGS.

## Gunning for Polio

"How's about that, podner?" asks Jimmie Glometta, 5, of Rockford, as he shows off his new cowboy outfit. Jimmie was stricken by polio, but now he is well along the recovery trail. March of Dimes is helping Jimmie along the way, as it will help countless other polio patients if you give generously to the 1953 drive which ends Jan. 31.

Car illustrated above: Ninety-Eight Holiday Coupé. New Super "88" for 1953 also now on display at your dealer's. A General Motors Value.

Ladies and gentlemen, here is Oldsmobile's candidate for the best-looking, best-driving car of all for 1953. It's the glamorous new Ninety-Eight—the last word in "Rocket" engineering and Classic styling. That distinctive, long rear deck is balanced by a new, longer "power" hood. The front-end is new, more dramatic. The chrome trim is new, more distinctive. The whole silhouette is new, more exciting. The interiors have been enhanced and "entranced" by new upholstery and Custom-Lounge Cushions. Even the "Rocket" Engine is NEW—with higher power (165 hp.), higher compression (8 to 1), higher voltage (12-volt ignition). And to match this super performance, there's a new Power-Ride Chassis, new Pedal-Ease Power Brakes\*, Power Steering\*, and even Frigidaire Car Conditioning! We invite you to inspect the new Classic Ninety-Eight—in our dealership now.
